

Sono aperte le iscrizioni al Forum delle alternative, appuntamento annuale promosso da alcuni anni per iniziativa del Partito della Sinistra europea insieme ad altre forze verdi e socialiste, con parlamentari di The Left ecologisti e socialisti, Transform Europa ed altre associazioni. Quest'anno il forum si tiene in forma mista on line e in presenza. On line ci sono i seminari autogestito. Tra questi segnaliamo quello del 17 novembre dalle 17 alle 19 sul progetto di Altra agenda contro il dominio dei potenti sulla conoscenza a cui stiamo lavorando come Transform insieme alla Agorà degli abitanti della Terra e al Partito della Sinistra europea. A Bruxelles ci saranno in presenza il 25/26/27 novembre i lavori assembleari con le plenarie. Anche qui segnaliamo quella sulla democrazia a cui abbiamo lavorato.
