GUE/NGL irritato/a presso European Parliament.

  Leak reveals illicit collaboration between then-presiding Judge Sergio Moro and prosecutors to imprison Lula.

The Intercept reveals that the prosecutors, who long-insisted that they were apolitical and concerned solely with fighting corruption, were in fact internally plotting to prevent the return to power of Lula and the Workers' Party.

 Moro is now Justice Minister in Bolsonaro's far right government.  We demand freedom for Lula da Silva!
