**To Jeremy Corbyn MP - leader of the Labour Party**

**As artists and writers, we would like to thank you for raising political awareness in our country to a level not seen since the end of World War II. Your humanity, courage and insight have mobilised a new generation of socialist activists.**

**Much of our work reflects the world we live in and, as leader of the Labour Party, you have inspired and energised us for the future.**

**The media has been atrocious in the recent election and, in the face of provocation, we congratulate you for keeping your dignity and clarity.**

**You will never be forgotten.**

**Sincerely**
